

## December 2024 Bible Reading Plan

**Numbers** – Only a year has passed since the Israelites have departed from Egypt when the Book of Numbers begins. A book shows the painful consequences of unbelief and irresponsible decisions on the part of God's chosen people. We will see the death of one generation and the rise of another through these thirty-four chapters. God's love is kind, but it can also be severe, and we all must learn that we can only move forward as we learn to trust and depend upon Him.

**Hebrews** – Jewish believers, who have stepped out of Judaism into Christianity are wavering in their new found faith due to persecution and are wanting to reverse course. The writer of Hebrews exhorts them to press on to maturity in Christ.
